## NATIONS LEADER IN BANK BRANCH AUCTIONS

John Dixon & Associates (JDA) is a national real estate auction marketing firm headquartered in Atlanta, Georgia. With one of the most talented staffs in the industry, we are able to effectively leverage talent and technology to bring quality auction services to our clients. When choosing JDA you get a firm that has an unparalleled reputation and experience, provides transparency throughout the entire auction process, understands real market asset evaluation, and gives you hands-on management that produces unmatched results.

Bank Branches and other similar commercial property auctions have long been a specialty at JDA. Our talented team of real estate professionals will work to understand your objectives and the intricate details of your property. Our main focus is your success! That has been the foundation of our firm since the start and a primary reason our sellers keep coming back year after year. ***Call us for auction results!***
